VERSION-01

Notice:

1. Please unbox the item from the side with an open label and put a carpet on the floor to avoid scratching it.
2. Follow the installation instructions carefully. before installation, please ensure that all accessories are present. For large items, we advise you to install them with 2 or more people for faster and safer installation.
3. Do not fully tighten the screws during initial assembly. Fully tighten the screws only once all pieces are correctly assembled. Do not use power tools.
4. Do not stand, climb, or swing on the product.
5. If you encounter any problems during installation, please contact our customer service.

"SAFETY TIPS:

Static charge may cause dust on foam – clean with a dry or damp cloth.
Small foam strands may be present – handle gently and dispose of properly.
Do not burn or incinerate.
Check local recycling guidelines."

Recommended installers:2

Put a carpet on the floor before unpcking

Before Installing the back plane,
Please have an assistant to check
the door gap to be even and then
lock all screws for the back plane.

⚠ Warning: If you overturn the furniture, it may cause serious or fatal crushing injuries. We have a wall connection device attached, please use it to hold the furniture following these instructions.

1. Mark the corresponding hole positions where you want to place the furniture;
2. Use a impact drill to drill holes and pay attention to avoid wires and water pipes;
3. Knock the expansion pipes into the wall holes;
4. Place the furniture in the corresponding position and tighten the wall connection device with screws.

kindly reminder:
After installation, tear off the protective film on the surface of this door panel.

Installation Completed

- a) The statement "Ensure the batteries are installed correctly according to polarity (+ and -)."
- b) The statement "Do not mix old and new batteries, different brands or types of batteries, such as alkaline, carbon-zinc, or rechargeable batteries."
- c) The statement "Remove and immediately recycle or dispose of batteries from equipment not used for an extended period of time according to local regulations."
- d) The statement "Always completely secure the battery compartment, If the battery compartment does not close securely, stop using the product, remove the batteries, and keep them away from children."
